ADVICE TO NON-REGISTERED HOLDERS OF COMMON SHARES

The information set forth in this section is of significant importance to many shareholders as a substantial number of shareholders do not hold securities of the Corporation in their own name. Shareholders who hold their securities through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their securities in their own name (referred to in this Circular as "**Beneficial Shareholders**") should note that only proxies deposited by shareholders who appear on the records maintained by the Corporation's registrar and transfer agent as registered holders of voting securities will be recognized and acted upon at the Meeting. If voting securities are listed in an account statement provided to a Beneficial Shareholder by a broker, those voting securities will, in all likelihood, not be registered in the shareholder's name. Such voting securities more likely will be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name of the Canadian Depository for Securities which acts as nominee for many Canadian brokerage firms). Voting securities held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their voting securities are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the instrument of proxy provided directly to registered shareholders by the Corporation and is commonly referred to as a "**voting instruction form**" or "VIF". However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications Solutions, Canada ("Broadridge"). Broadridge typically prepares a machine-readable voting instruction form, mails such forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction**

form cannot use that form to vote their securities directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of securities must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the securities voted. If you have any questions respecting the voting of securities held through a broker or other intermediary, please contact that broker or other intermediary promptly for assistance. Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting securities registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the securities in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their securities as proxyholder for the registered shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

ADVICE TO HOLDERS OF EUROCLEAR SWEDEN REGISTERED SHARES

The information set forth in this section is of significance to shareholders who hold their securities ("Euroclear Registered Securities") through Euroclear Sweden AB, which securities trade on Nasdaq First North Stockholm.

Shareholders who hold Euroclear Registered Securities are not registered holders of voting securities for the purposes of voting at the Meeting. Instead, Euroclear Registered Securities are registered under CDS & Co., the registration name of the Canadian Depository for Securities.

Holders of Euroclear Registered Securities will receive a VIF by mail directly from Computershare AB ("Computershare Sweden"). Additional copies of the VIF, together with the Corporation's Management Information Circular, can also be obtained from Computershare Sweden and are available on the Corporation's website (www.africaenergycorp.com). The VIF cannot be used to vote securities directly at the Meeting. Instead, the VIF must be completed and returned to Computershare Sweden, strictly in accordance with the instructions and deadlines that will be described in the instructions provided with the VIF.

If you have any questions concerning how to complete the VIF or regarding the voting of Euroclear Registered Securities, please contact Computershare Sweden at:

EXERCISE OF DISCRETION

The enclosed Proxy, when properly completed and delivered, and not revoked, gives discretionary authority to the persons named therein with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters that may properly come before the Meeting. At the time of the printing of this Circular, management of the Corporation knows of no such amendment, variation or other matter that may be presented to the Meeting.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

REVOCATION OF PROXIES

A registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing, including a proxy bearing a later date, executed by the registered shareholder or by his attorney authorized in writing or, if the registered shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the proxy must be deposited at the registered office of the Corporation, at Suite 2600 Oceanic Plaza, 1066 West Hastings Street, Vancouver, British Columbia, V6E 3X1 (Attention: Kevin Hisko) at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the Secretary of the Corporation or the chairman of the Meeting prior to the time of voting at the Meeting. Only registered shareholders have the right to revoke a proxy. **Beneficial Shareholders who wish to change their vote must arrange for their respective intermediaries to revoke the proxy on their behalf.**

RECORD DATE

Shareholders registered as at May 31, 2018 (the "Record Date") are entitled to attend and vote at the Meeting. Shareholders who wish to be represented by proxy at the Meeting must, to entitle the person appointed by the Proxy to attend and vote, deliver their Proxies at the place and within the time set forth in the notes to the Proxy.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as may be disclosed herein, no director or executive officer of the Corporation, or any person who has held such a position since the beginning of the last completed financial year end of the Corporation, nor any nominee for election as a director of the Corporation, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors and confirmation of the Corporation's stock option plan.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of common shares of which 681,586,094 common shares are issued and outstanding as at the date hereof. Each common share is entitled to one vote.

The following table sets forth those persons or entities who, to the knowledge of the directors and executive officers of the Corporation, beneficially own, directly or indirectly, or exercise control or direction over, directly or indirectly, 10% or more of the issued and outstanding common shares of the Corporation:

Name	Number of Common Shares	Percentage

Zebra Holdings and Investments S.à.r.l ("Zebra") ⁽¹⁾	68,901,544	10.1%
Lorito Holdings S.à.r.l. ("Lorito") ⁽¹⁾	11,825,000	1.7%

⁽¹⁾ Lorito and Zebra, who report their security holdings as joint actors, are private corporations owned by a trust whose settlor was the late Adolf H. Lundin. Together, Lorito and Zebra hold a total of 80,726,544 common shares, which represents approximately 11.8% of the current outstanding common shares.

BUSINESS OF THE ANNUAL GENERAL MEETING

FINANCIAL STATEMENTS AND AUDITORS' REPORT

The Corporation's consolidated financial statements for the year ended December 31, 2017 and the report of the auditors thereon will be placed before the Meeting. Copies of the consolidated financial statements, the auditors' report and management's discussion and analysis have been mailed to all registered shareholders and non-registered shareholders (or beneficial shareholders) who have opted to receive such materials. These documents can also be found on the Corporation's website at www.africaenergycorp.com and are also available on SEDAR at www.sedar.com. No vote by shareholders is required to be taken with respect to the consolidated financial statements.

APPOINTMENT AND REMUNERATION OF AUDITORS

The Corporation's board of directors (the "**Board**" or "**Board of Directors**") recommends the re-appointment of PricewaterhouseCoopers LLP Chartered Accountants ("PwC") as auditors of the Corporation to hold office until the termination of the next annual meeting of shareholders.

The common shares represented by the proxies solicited in respect of the Meeting on any ballot that may be called for, unless authority to do so is withheld, will be voted by the persons named therein **FOR** the appointment of PwC, as auditors of the Corporation until the next annual general meeting of shareholders, and to authorize the directors to fix the remuneration of the auditors. PwC have been the Corporation's auditors since September 20, 2011.

ELECTION OF DIRECTORS

The Board presently consists of six directors. The Board is recommending that six directors be elected at the meeting. The director nominees are:

- Ashley Heppenstall
- Garrett Soden
- Keith C. Hill

- Adam Lundin

The term of office of each of the present directors expires at the Meeting. At the Meeting, shareholders will be asked to pass an ordinary resolution to set the number of directors at six, and the six persons named above will be proposed for election as directors of the Corporation ("**Proposed Directors**"). Unless authority to vote is withheld, the common shares represented by the proxies hereby solicited will be voted by the persons named therein **FOR** the election of the Proposed Directors whose names are set forth above. With the exception of Messrs. Garrett Soden and Adam Lundin, all of the Proposed Directors are presently members of the Board and were elected to their present term by a vote of shareholders at a meeting which was accompanied by a management proxy circular. The dates on which each director was first elected or appointed are indicated below. Management does not contemplate that any Proposed Director will be unable or unwilling to serve as a director.

ADVANCE NOTICE PROVISIONS

Pursuant to the provisions in the Corporation's articles requiring advance notice (the "**Advance Notice Provisions**") adopted by the shareholders of the Corporation on June 3, 2013, only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation. made in accordance with the provisions of the *Business Corporations Act (British Columbia)* S.B.C. 2002 c. 57 (the “BCA”), or a requisition of the shareholders made in accordance with the provisions of the BCA; or (c) by any person (a “**Nominating Shareholder**”): (A) who, at the close of business on the date of the giving of the notice provided for below in the Advance Notice Provisions and on the record date for notice of such meeting, is entered in the securities register as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting; and (B) who complies with the notice procedures set forth below in the Advance Notice Provisions.

In addition to any other applicable requirements, for a nomination to be made by a Nominating Shareholder, the Nominating Shareholder must have given timely notice in proper written form to the Corporate Secretary of the Corporation at the principle executive office of the Corporation.

To be timely, a Nominating Shareholder’s notice to the Secretary of the Corporation must be made: (a) in the case of an annual meeting of shareholders, not less than 36 nor more than 65 days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than 50 days after the date (the “**Notice Date**”) on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder is to be made not later than the close of business on the 10th day after the Notice Date in respect of such meeting; and (b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting of shareholders was made. In no event shall any adjournment or postponement of a meeting of shareholders or the announcement thereof commence a new time period for the giving of a Nominating Shareholder’s notice as described above.

“Named Executive Officer” or *“NEO”* means: (a) Chief Executive Officer (*“CEO”*), (b) Chief Financial Officer (*“CFO”*), (c) the three most highly compensated executive officers of the Corporation, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than CAD\$150,000; and (d) each individual who would be an NEO under paragraph (c) above but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

OVERSIGHT AND DESCRIPTION OF DIRECTOR AND NAMED EXECUTIVE OFFICER COMPENSATION

Compensation Oversight, Governance and Risk Management

The Corporation’s executive compensation program is administered by the Compensation Committee of the Board. The Compensation Committee is comprised of three directors; namely, Messrs. Ashley Heppenstall (Chair), Ian Gibbs, and Keith Hill. All members of the Compensation Committee have direct experience that is relevant to their responsibilities as Compensation Committee members. All members are or have held senior executive or director roles within public companies and have a good financial understanding that allows them to assess the costs versus benefits of compensation plans. The members’ combined experience in the resource sector provides them with the understanding of the Corporation’s success factors and risks, which is very important when determining metrics for measuring success.

The Compensation Committee’s mandate includes reviewing and making recommendations to the Board of Directors in respect of compensation matters relating to the NEOs identified in the *“Table of Compensation Excluding Securities”* and the *“Table of Compensation Securities”* below. In addition, the Compensation Committee determines the general compensation structure, policies and programs of the Corporation, including the extent and level of participation in incentive programs in conjunction with the Board. The Compensation Committee also reviews the adequacy and form of the compensation of directors to ensure that such compensation realistically reflects the responsibilities and risk involved in being an effective director. The Compensation Committee also meets at other times during the year as necessary, such as when a component of the Corporation’s overall compensation package, including the Stock Option Plan or the annual bonus program, is being amended or reviewed.

The Corporation’s directors and executive officers are not permitted to purchase financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the director or officer.

Compensation Philosophy and Objectives of Compensation Programs

The Corporation’s philosophy on executive compensation and applied to NEOs is designed to:

- attract and retain qualified and experienced executives who will contribute to the success of the Corporation;
- ensure that the compensation of the NEOs provides a competitive base compensation package, with additional compensation to reward success and create a strong link between corporate performance and compensation; and
- motivate NEOs to enhance long-term shareholder value so as to foster alignment with the interests of the shareholders.

The Corporation's executive compensation program contains the following three components:

<u>Base Salaries:</u>	Base salaries are used to provide executive officers with sufficient income that reflects their executive position and level of responsibility while also reflecting salary norms in the sector and the general marketplace. The Corporation views a competitive base salary as a necessary element for retaining qualified executive officers, as it creates a meaningful incentive for individuals to remain at the Corporation and not be unreasonably susceptible to recruiting efforts by the Corporation's competitors.
<u>Long-Term Incentives (Stock Options):</u>	Options are used to provide a pay-at-risk component to compensation and to reward long-term performance by allowing executive officers to participate in the market appreciation of the Common Shares over an extended period. Options are also required in order for the Corporation to be competitive from a total remuneration standpoint and to encourage executive retention through time-based vesting of awards.
<u>Cash Bonuses:</u>	Cash bonuses are used to reward executive officers and other employees for meeting qualitative and quantitative goals, including developing long-term growth prospects, delivering near-term financial and operating results based on annual budgets approved by the Board, improving the efficiency and effectiveness of business operations, building a culture of teamwork focused on creating long-term shareholder value and managing risk capital in countries of increasing geo-political and economic risk. Cash bonuses are awarded on a discretionary basis following an evaluation of corporate performance factors and individual performance factors.

The Corporation does not believe that its compensation programs encourage excessive or inappropriate risk taking as: (i) the Corporation's employees receive both fixed and variable compensation, and the fixed (salary) portion provides a steady income regardless of Common Share value that allows employees to focus on the Corporation's business; and (ii) the Stock Option Plan encourages a long-term perspective due to the vesting provisions of the Options.

Determining Compensation

As indicated above, the Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to compensation matters.

Compensation Discussion & Analysis

The Corporation's compensation structure is designed to attract highly qualified and motivated individuals, reward performance and to be competitive with the compensation arrangements of other Canadian resource companies of similar size and scope of operations. The Compensation Committee considers a variety of factors when determining both compensation policies and programs and individual compensation levels. These factors include the long-term interests of the Corporation and its shareholders, overall financial and operating performance of the Corporation, individual performance and contribution towards meeting corporate objectives, responsibilities, length of service and levels of compensation provided by industry competitors.

Compensation for executive officers is composed primarily of two components; namely, base salary and participation in the Corporation's Stock Option Plan. However, annual cash bonuses may be awarded on a discretionary basis. Cash bonuses, if awarded, will reflect the Compensation Committee's assessment of the immediately preceding financial year's performance.

The accountability for decisions on executive remuneration is clearly within the mandate of the Compensation Committee, but management has a key role in helping support the committee in fulfilling its obligations. For example, the CEO and other senior executives make recommendations to the Compensation Committee regarding executive officer base salary adjustments, stock option grants and bonus awards. The Compensation Committee reviews the basis for these recommendations and can exercise its discretion in modifying any of the recommendations prior to making its

recommendations to the Board. The CEO does not make a recommendation to the Compensation Committee with respect to his own remuneration package.

As the Corporation has not generated any revenue from operations during the recently-completed fiscal year, traditional corporate and NEO performance standards such as earnings per share are not considered relevant by the Compensation Committee in NEO performance evaluation. The Compensation Committee is satisfied that the Corporation's compensation structure appropriately takes into account the factors relevant to the industry, the Corporation's performance within that industry, and the individual contributions to the Corporation's performance made by its NEOs.

Each element of the Corporation's executive compensation program is described in more detail below.

Base Salaries

The base salary is intended to remunerate an NEO for discharging job responsibilities and reflects the executive's performance over time. Individual salary adjustments take into account performance contributions in connection with their specific duties. The base salary of each executive officer is reviewed by the Compensation Committee based on an assessment of his sustained performance and consideration of competitive compensation levels for the markets in which the Corporation operates. In making its recommendations to the Board, the Compensation Committee also considers the particular skills and experience of the individual. See "*Table of Compensation Excluding Securities*".

Short-Term Incentive Compensation – Cash Bonuses

The Corporation may award annual discretionary cash bonuses to executive officers and employees of Corporation from time to time. The amount of the bonus that each individual may be eligible for is not set in relation to any formula or specific criteria but is the result of a subjective determination of the Corporation's performance, overall industry conditions, as well as the individual's performance and his or her contribution to overall corporate goals. The payment of bonuses is subject to the final approval of the Board, and the Board has the discretion to amend or veto bonuses in its sole discretion. See "*Table of Compensation Excluding Securities*".

Long-Term Incentive Compensation – Stock Options

The stock option component of an NEO's compensation, which includes a vesting element to ensure retention, serves to both motivate the executive toward increasing share value and to enable the executive to share in the future success of the Corporation. Individual stock options are granted by the Board on the recommendation of senior management in the case of employees, and by the Compensation Committee in the case of executive officers, including the CEO. Options are normally awarded by the Board upon the commencement of an individual's employment with the Corporation based on the level of responsibility within the Corporation. Additional option grants may be made periodically to ensure that the number of stock options granted to any particular individual is commensurate with the individual's level of ongoing responsibility within the Corporation. In considering additional grants, a number of factors are considered, including the role the individual plays in the Corporation, the number of stock options an individual has been granted, the exercise price and the value of the options and the term remaining on those options. See "*Equity Compensation Plan Information*".

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Corporate Governance Practices

National Policy 58-201 *Corporate Governance Guidelines* ("NP 58-201") sets out guidelines for effective corporate governance. These guidelines deal with matters such as the constitution and independence of corporate boards, their functions, the effectiveness and education of board members and other items dealing with sound corporate governance. National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101") requires that if management of an issuer solicits proxies from its securityholders for the purpose of electing directors, specified disclosure of the corporate governance practices must be included in its management information circular.

The Board of Directors has considered the guidelines set out in NP 58-201 and believes that its approach to corporate governance is appropriate and works effectively for the Corporation and its shareholders and is consistent with the overall business of the Corporation and its stage of development. The following is a description of the Corporation's corporate governance practices which have been approved by the Board.

The Board of Directors

The Board of Directors is currently comprised of Messrs. Ashley Heppenstall, Garrett Soden, Keith C. Hill, Ian Gibbs, John Bentley and Adrian Nel. The majority of Africa Energy's current directors and its director nominees are independent for the purposes of Board membership and within the meaning of both NI 58-101 and NI 52-110. Mr. Garrett Soden is not considered independent as a result of his role as President and Chief Executive Officer of the Corporation.

The Board has the responsibility to (i) supervise and evaluate management (ii) oversee the conduct of the Corporation's business; (iii) adopt, supervise and provide guidance to management on the Corporation's strategic planning process; (iv) identify the principal risks of the Corporation's business and ensure management's implementation and assessment of appropriate risk management systems; (v) ensure that the Corporation has highly qualified management and adequate and effective succession plans for senior management; (vi) oversee the Corporation's communications policy with its shareholders and with the public generally; (vii) place limits on management's authority; and (viii) assess directly and through its Audit Committee, the integrity of the Corporation's internal control and management information systems.

Directorships

The following directors of the Corporation are also directors of other reporting issuers, as set forth below:

Name	Directorships with Other Reporting Issuers
Garrett Soden	<ul style="list-style-type: none">• Etrion Corporation• Gulf Keystone Petroleum Ltd.• Panoro Energy ASA• Petropavlovsk plc• Phoenix Global Resources plc
Keith C. Hill	<ul style="list-style-type: none">• Africa Oil Corp.• Eco (Atlantic) Oil & Gas Ltd.• BlackPearl Resources Inc.• ShaMaran Petroleum Corp.• TAG Oil Ltd.
Ian Gibbs	<ul style="list-style-type: none">• Lundin Gold Inc.

John Bentley	<ul style="list-style-type: none">• Faroe Petroleum plc• Phoenix Global Resources plc• Wentworth Resources Ltd.

See “*Business of the Annual General Meeting - Election of Directors*” for a biography of each of the proposed directors.

An “interlock” refers to two or more of the Corporation’s directors who sit together on the board of directors of another reporting issuer. The Corporation’s directors have the following interlocks:

- Messrs. Hill and Heppenstall are each directors of ShaMaran Petroleum Corp.
- Messrs. Heppenstall and Gibbs are each directors of Lundin Gold Inc.
- Messrs. Heppenstall and Soden are each directors of Etrion Corporation
- Messrs. Bentley and Soden are each directors of Phoenix Global Resources plc

The Board has determined that, in its judgment, the interlocks do not adversely impact the independence of these directors or the ability of these directors to act in the best interests of the Corporation because, among other things, the Corporation is focused on the exploration and development of assets in regions in which each of ShaMaran Petroleum Corp., Lundin Gold Inc., Etrion Corporation and Phoenix Global Resources plc do not operate. In addition, neither Lundin Gold Inc. nor Etrion Corporation are in the oil and gas exploration business.

During fiscal year ended December 31, 2017, the Board and its committees held the following number of meetings:

Orientation and Continuing Education

The measures that the Board of Directors takes in connection with orienting new Board members regarding the role of the Board, its directors, the committees of the Board and the nature and operation of the Corporation's business include providing each new member with information concerning the role and responsibilities of a public company director and discussing with new members the Corporation's operations.

The Corporation encourages continued education for its directors. The Board ensures that all directors are kept apprised of changes in the Corporation's operations and business and changes in the regulatory environment affecting the Corporation's day to day business.

Ethical Business Conduct

The Corporation is committed to conducting its business in compliance with the law and the highest ethical standards. As such, the Board of Directors has implemented key policies as part of the Corporation's corporate governance framework. These key policies include: the Code of Business Conduct and Ethics, the Internal Employee Alert Policy ("Whistleblower Policy"), and the Anti-Corruption Policy.

Code of Business Conduct and Ethics

The Corporation has adopted a written Code of Business Conduct and Ethics (the "Code") applicable to all directors, officers and employees of the Corporation. Directors, officers or employees who have concerns or questions about violations of laws, rules or regulations, or of the Code, are required to report them to the Corporation's external legal counsel. Following the receipt of any complaints submitted hereunder, the Corporation's external legal counsel will investigate each matter so reported and report to the Board which will take corrective disciplinary actions, if appropriate, up to and including termination of employment. The Corporation encourages all directors, officers, and employees to report promptly any suspected violation of the Code to the Corporation's legal counsel. The Corporation does not tolerate any retaliation for reports or complaints regarding suspected violations of the Code that were made in good faith. There has been no departure from the Code during the Corporation's most recently completed financial year.

Internal Employee Alert Policy

The Internal Employee Alert Policy ("Whistleblower Policy") is a policy to encourage employees, officers and directors to raise concerns regarding accounting, internal controls or auditing matters, on a confidential basis free from discrimination, retaliation or harassment.

Anti-Corruption Policy

The Corporation has adopted an Anti-Corruption Policy that prohibits its employees, subsidiaries, affiliates, and anyone else involved in the Corporation's business from bribing government officials or commercial customers. This policy prohibits the falsification of corporate records or failing to keep accurate records related to the business, and from circumventing the Corporation's accounting controls and policies. This Policy ensures that the Corporation's business is conducted in a manner that does not violate the anti-corruption laws of Canada, and/or any other country in which the Corporation does business or has a presence. This policy applies to all directors, officers, employees and agents of the Corporation and supplements the Code and all applicable laws.

All directors, officers and employees have an obligation to act in the best interest of the Corporation. Any situation that presents an actual or potential conflict between a director, officer or employee's personal interests and the interests of the Corporation are to be reported to the Corporation's external legal counsel.

The Code and the Whistleblower Policy are available on the Corporation's website at: www.africaenergycorp.com. The Code is also available under the Corporation's profile on SEDAR at www.sedar.com.

Nomination of Directors

The Corporate Governance and Nominating Committee consists of three directors, namely: Messrs. John Bentley (Chair), Adrian Nel and Ian Gibbs, the majority of whom are independent within the meaning of NP 58-201. The Corporate Governance and Nominating Committee is responsible for developing and monitoring the Corporation's approach to corporate governance issues. The Committee oversees the effective functioning of the Board, oversees the relationship between the Board and management, ensures that the Board can function independently of management at such times as is desirable or necessary, identifies individuals qualified to become new Board members and recommends to the Board the director nominees at each annual meeting of shareholders and, with the assistance of the Board and where necessary, develops an orientation and education program for new recruits to the Board. In identifying possible nominees to the Board, the Corporate Governance and Nominating Committee considers the competencies and skills necessary for the Board as a whole, the skills of existing directors and the competencies and skills each new nominee will bring to the Board, as well as whether or not each nominee will devote sufficient time and resources to the Board. The Corporate Governance and Nominating Committee also annually reviews and makes recommendations to the Board with respect to: (i) the size and composition of the Board; (ii) the appropriateness of the committees of the Board; and (iii) the effectiveness and contribution of the Board, its committees and individual directors, having reference to their respective mandates, charters and position descriptions. The Corporate Governance and Nominating Committee meet at least once annually.

Compensation

The Compensation Committee consists of three directors, namely: Messrs. Ashley Heppenstall (Chair), Ian Gibbs, and Keith Hill. The Compensation Committee evaluates the CEO's performance and establishes executive and senior officer compensation, determines the general compensation structure, policies and programs of the Corporation, including the extent and level of participation in incentive programs in conjunction with the Board, and delivers an annual statement on executive compensation. The Compensation Committee has also been mandated to review the adequacy and form of annual compensation for non-executive directors to ensure that such compensation realistically reflects the responsibilities and risks involved in being an effective director. The Compensation Committee meets at least once annually. The Compensation Committee did not retain a compensation consultant or advisor at any time since the beginning of the Corporation's most recently completed financial year to assist in determining compensation for any of its directors and officers.

Other Board Committees

In addition to the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee, the Corporation established a Reserves Committee that is comprised of Messrs. Keith C. Hill (Chair), Ashley Heppenstall, and Adrian Nel, a majority of whom are considered to be independent. The Reserves Committee is generally responsible for developing the Corporation's approach to the reporting of oil and gas resources and/or reserves and the valuation of those resources/reserves.

Assessments

The Board believes that, due to the size of the Corporation, it is not appropriate to have a formal assessment process for its committees and individual directors. The Board as a whole assesses the effectiveness and contribution of individual directors on an informal basis from time to time.

OTHER MATTERS

Management of the Corporation knows of no other matters which will be brought before the Meeting, other than those referred to in the Notice of Meeting. Should any other matters properly be brought before the Meeting, the Common Shares represented by the proxies solicited hereby will be voted on those matters in accordance with the best judgment of the persons voting such proxies.

3.3 TERM OF OPTION

Subject to paragraph 3.4, the Expiry Date of an Option shall be the date so fixed by the Board at the time the particular Option is awarded, provided that such date shall not be later than the fifth anniversary of the Award Date of such Option.

3.4 TERMINATION OF OPTION

An Option Holder may exercise an Option in whole or in part at any time or from time to time during the Exercise Period provided that, with respect to the exercise of part of an Option, the Board may at any time and from time to time fix a minimum or maximum number of Shares in respect of which an Option Holder may exercise part of any Option held by such Option Holder. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of 5:00 p.m. local time in Vancouver, British Columbia, on the Expiry Date. The Expiry Date of an Option shall be the earlier of the date so fixed by the Board at the time the Option is awarded and the date established, if applicable, in sub-paragraphs (a) to (c) below:

(a) **Death**

In the event that the Option Holder should die while he or she is still a Director (if he or she holds his or her Option as Director) or Employee (if he or she holds his or her Option as Employee), the Expiry Date shall be one (1) year from the date of death of the Option Holder; or

(b) **Ceasing to hold Office**

In the event that the Option Holder holds his or her Option as Director of the Company and such Option Holder ceases to be a Director of the Company other than by reason of death, the Expiry Date of the Option shall be the 30th day following the date the Option Holder ceases to be a Director of the Company unless the Option Holder ceases to be a Director of the Company but continues to be engaged by the Company as an Employee, in which case the Expiry Date shall remain unchanged, or unless the Option Holder ceases to be a Director of the Company as a result of:

- (i) ceasing to meet the qualifications set forth in section 124 of the *Business Corporations Act* (British Columbia) or such other qualifications required by the corporate laws in any other jurisdiction under which the Company is continued or amalgamated; or
- (ii) a special resolution having been passed by the members of the Company pursuant to subsection 128(3) of the *Business Corporations Act* (British Columbia) or an equivalent enactment pursuant to the corporate laws in any other jurisdiction under which the Company is continued or amalgamated; or
- (iii) by order of the British Columbia Securities Commission, the TSX Venture Exchange or any regulatory body having jurisdiction to so order,

in which case the Expiry Date shall be the date the Option Holder ceases to be a Director of the Company.

(c) **Ceasing to be Employed**

In the event that the Option Holder holds his or her Option as an Employee of the Company and such Option Holder ceases to be an Employee of the Company other than by reason of death, or if the Employee is a party providing investor relations services or management or consulting services to the Company and ceases to continue providing such services to the Company, the Expiry Date of the Option shall be the 30th day following the date the Option Holder ceases to be an Employee of the Company or ceases to continue providing such investor relations, management and consulting services to the Company unless the Option Holder ceases to be an Employee of the Company or ceases to continue providing such services to the Company as a result of:

- (i) termination for cause; or
- (ii) by order of the British Columbia Securities Commission, the TSX Venture Exchange, or any regulatory body having jurisdiction to so order,

in which case the Expiry Date shall be the date the Option Holder ceases to be an Employee of the Company or ceases to continue providing such services.

3.5 EXERCISE PRICE

The Exercise Price shall be that price per share, as determined by the Board in its sole discretion and announced as of the Award Date, at which an Option Holder may purchase a Share upon the exercise of an Option, and shall not be less than the last daily closing price of the Company's shares on the TSX Venture Exchange prior to the Award Date less the discount permitted by the policies of the TSX Venture Exchange (or, if the Shares are no longer listed for trading on the TSX Venture Exchange, then such other exchange or quotation system on which the Shares are listed or quoted for trading).

3.6 REDUCTION IN EXERCISE PRICE FOR INSIDERS

Disinterested shareholder approval will be obtained for any reduction in the Exercise Price if the Option Holder is an Insider of the Company at the time of the proposed amendment.

3.7 ASSIGNMENT OF OPTIONS

Options may not be assigned or transferred, provided however that the Personal Representative of an Option Holder may, to the extent permitted by paragraph 4.1, exercise the Option within the Exercise Period.

3.8 ADJUSTMENTS

If prior to the complete exercise of any Option the Shares are consolidated, subdivided, converted, exchanged or reclassified or in any way substituted for (collectively the "Event"), an Option, to the extent that it has not been exercised, shall be adjusted by the Board in accordance with such Event in the manner the Board deems appropriate. No fractional Shares shall be issued upon the exercise of the Options and accordingly, if as a result of the Event, an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded. Additionally, no lots of Shares in an amount less than 100 Shares shall be issued upon the exercise of the Option unless such amount of Shares represents the balance left to be exercised under the Option.

3.9 VESTING

- (a) Options granted pursuant to the Plan shall vest and become exercisable by an Option Holder at such time or times as may be determined by the Board at the date of the Option grant and as indicated in the Option Grant and Option Commitment related thereto. Subject to any vesting restrictions imposed by the Exchange, the Board may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, or that no vesting restriction shall exist. Notwithstanding the foregoing, Options granted to Consultants providing Investor Relations Services shall vest in stages over a period of no less than 12 months with a maximum of one-quarter of such Options vesting in any three month period.
- (b) Subject to the provisions of the Plan, an Option may be exercised from time to time by delivery to the Company of a written notice of exercise specifying the number of Shares with respect to which the Option is being exercised and accompanied by payment in full of the exercise price of the Shares to be purchased by cash, certified cheque, wire transfer or bank draft. Certificates for such Shares shall be issued and delivered to the Option Holder within a reasonable time following the receipt of such notice and payment.
- (c) Subject to any vesting restrictions imposed by the Board, Options may be exercised in whole or in part at any time and from time to time during the term of the Option. To the extent required by the Exchange, no Option may be exercised under this Plan until this Plan has been approved by a resolution duly passed by the shareholders of the Company.
- (d) Except as set forth in paragraph 3.4, no Option may be exercised unless the Participant is at the time of such exercise a Director, Officer, Consultant, or Employee of the Company or any of its Subsidiaries, or a Management Company Employee of the Company or any of its Subsidiaries.
- (e) No Participant or his/her legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any Shares of the Company unless and until the certificates for Shares issuable pursuant to Options under the Plan are issued to him/her or them under the terms of the Plan.
- (f) The Option Commitment representing any such Option will disclose any vesting conditions.

3.10 HOLD PERIOD

In certain circumstances, an Option and any Shares issued under such Option, may be subject to a four-month hold period, from the time the Option was granted during which period they cannot be sold and, in accordance with the Exchange's policies, the certificates representing such Shares shall be legended accordingly. Shares issued on the exercise of an Option may be subject to such other hold periods as may be imposed by the Exchange or under the Securities Act.

3.11 EXTENSION OF EXPIRY TIME DURING BLACKOUT PERIODS

Notwithstanding the provisions contained herein for the expiry of Options, in the event that the expiry date of an Option falls during or within two (2) business days following the end of a blackout period of the Company pursuant to its policies (a "Blackout Period"), the expiry date of such Option shall be extended for a period of ten (10) business days following the end of the Blackout Period.

3.12 TRANSFERABILITY

All benefits, rights and Options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be assignable or transferable other than by will or by the applicable laws of descent. During the lifetime of an Option Holder, all Options may only be exercised by the Option Holder.

ARTICLE 4 CHANGE OF CONTROL

In the event that a Change of Control has occurred, each outstanding Option shall immediately become fully vested and may be exercised in whole or in part by the Option Holder. After such Change of Control the Option may be exercised, notwithstanding Article 3.8, as to all or any of the optioned Shares in respect of which the Option has not been exercised, on or before the earlier of the expiration of the term of the Option and 5:00 p.m. (Vancouver time) on that date which is 60 days after the date of notice to the Option Holder of such Change of Control event. After such date the provisions of the Option shall reapply with respect to the balance of the optioned Shares in respect of which the Option has not been exercised provided that, for the purposes of Article 6.2, any optioned Shares purchased pursuant to this subsection shall be deemed to have been the optioned Shares in respect of which the Option Holder could have exercised the Option earliest.

If approved by the Board, Options may provide that, whenever the Company's shareholders receive a Take-over Proposal, such Option may be exercised as to all or any of the Shares in respect of which such Option has not previously been exercised (including in respect of Shares not otherwise vested at such time) by the Participant (the "Take-over Acceleration Right"). The Take-over Acceleration Right shall commence at such time as is determined by the Board, provided that, if the Board approves the Take-over Acceleration Right but does not determine commencement and termination dates regarding same, the Take-over Acceleration Right shall commence on the date of the Take-over Proposal and end on the earlier of the expiry time of the Option and the tenth (10th) day following the expiry date of the Take-over Proposal. Notwithstanding the foregoing, the Take-over Acceleration Right may be extended for such longer period as the Board may resolve.

If the Participant elects to exercise its Option to purchase Shares following the merger or consolidation of the Company with any other corporation, whether by amalgamation, plan of arrangement or otherwise, the Option Holder shall be entitled to receive, and shall accept, in lieu of the number of Shares of the Company to which he was theretofore entitled upon such exercise, the kind and amount of shares and other securities, property or cash which such holder could have been entitled to receive as a result of such merger or consolidation if, on the effective date thereof, he/she had been the registered holder of the number of Shares of the Corporation to which he/she was theretofore entitled to purchase upon exercise of such Options.

ARTICLE 5
EXERCISE OF OPTION

5.1 EXERCISE OF OPTION

An Option may be exercised only by the Option Holder or the Personal Representative of any Option Holder. An Option Holder or the Personal Representative of any Option Holder may exercise an Option in whole or in part at any time or from time to time during the Exercise Period up to 5:00 p.m. local time in Vancouver, British Columbia on the Expiry Date by delivering to the Administrator an Exercise Notice, the applicable Option Commitment and a certified cheque(s) or bank draft(s) payable to the Company in an amount equal to the aggregate of the Exercise Price of the Shares to be purchased pursuant to the exercise of the Option and the amount of applicable statutory withholding taxes or other amounts which the Company or its Affiliate is required by any law or regulation of any governmental authority to deduct or withhold.

5.2 ISSUE OF SHARE CERTIFICATES

As soon as practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Shares so purchased.

5.3 CONDITION OF ISSUE

The issue of Shares by the Company pursuant to the exercise of an Option is subject to this Plan and compliance with the laws, rules and regulations of all regulatory bodies applicable to the issuance and distribution of such Shares and to the listing requirements of any stock exchange or exchanges on which the Shares may be listed. The Option Holder agrees to comply with all such laws, rules and regulations and agrees to furnish to the Company any information, report and/or undertakings required to comply with and to fully cooperate with the Company in complying with such laws, rules and regulations.

ARTICLE 6
ADMINISTRATION

6.1 ADMINISTRATION

The Plan shall be administered by the Administrator on the instructions of the Board. The Board may make, amend and repeal at any time and from time to time such regulations not inconsistent with the Plan as it may deem necessary or advisable for the proper administration and operation of the Plan and such regulations shall form part of the Plan. The Board may delegate to the Administrator or any Director, officer or employee of the Company such administrative duties and powers as it may see fit.

6.2 INTERPRETATION

The interpretation by the Board of any of the provisions of the Plan and any determination by it pursuant thereto shall be final and conclusive and shall not be subject to any dispute by any Option Holder. No member of the Board or any person acting pursuant to authority delegated by it hereunder shall be liable for any action or determination in connection with the Plan made or taken in good faith and each member of the Board and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

6.3 STATUTORY WITHHOLDINGS

As a condition of participation in the Plan, an Option Holder shall authorize the Company in written form to collect and withhold from the Option Holder or its agent, as the case may be, any amounts required by applicable legislation to be withheld for any taxes, or otherwise, as a consequence of such participation in the Plan.

ARTICLE 7 AMENDMENT AND TERMINATION

7.1 AMENDMENTS TO THE PLAN

The Board shall have the power to, without shareholder approval, at any time and from time to time, either prospectively or retrospectively amend, suspend, or terminate this Plan or any Option granted under this Plan:

- (a) for the purposes of making minor or technical modifications to any of the provisions of this Plan;
- (b) to correct any ambiguity, defective provisions, error or omission in the provisions of this Plan;
- (c) the Board shall obtain disinterested shareholder approval of the following:
 - i. any amendment that would reduce the exercise price of an outstanding Option granted to an insider (other than pursuant to Section 3.2);
 - ii. any amendment that would extend the term of any Option granted to an insider;
 - iii. an amendment that would remove or exceed the insider participation limit set out in Section 3.6;
 - iv. any amendments allowing for an Option to be transferable or assignable, other than for normal estate settlement purposes; and
 - v. a change to this Section 7.1 of this Plan.

All amendments are subject to the prior approval of the Exchange.

7.2 TERMINATION

The Board may terminate the Plan at any time provided that such termination shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to the date of such termination and notwithstanding such termination the Company, such Options, Option Holders, Directors and Employees and Shares shall continue to be governed by the provisions of the Plan.

7.3 AGREEMENT

The Company and every person to whom an Option is awarded hereunder shall be bound by and subject to the terms and conditions of the Plan.

7.4 NO REPRESENTATION OR WARRANTY

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.
